Dear Friends,

Good morning. I hope you are all well and in good health.

I hope most of you joined the RMAPI & Simon-Kucher 2<sup>nd</sup> webinar yesterday on the impact of COVID19 on Travel. If you missed it, or want to remind yourself of it, we have attached the presentation in the email. There is also a recording of the webinar below.

Feel free to share & exchange with your colleagues. As we said in the webinar, it is important at these times for all of us to help the wider industry to rebound.

Looking forward to the next and final session where we will be talking on recommended pricing and revenue management practices to better price & RM in the new normal.

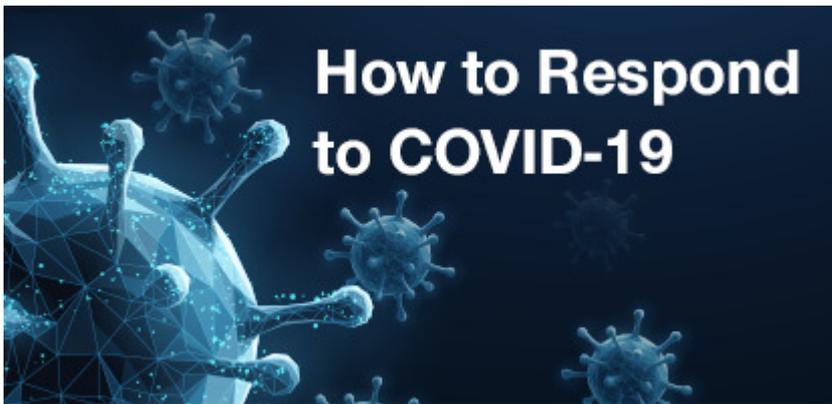

Also, if any of you want to volunteer to be a Panelist then please let me and Roz know. At the same time, if you have any questions you want covered in the final webinar

Keep safe, healthy and in positive spirits.

Kind regards,

Dimitris
